AGENDA

SUNDAY, OCTOBER 23

7:00 AM–6:30 PM

Registration

8:00–9:30 AM

P1 Sampling 101: A Primer for Internal and External Audits

*Frank D. Cohen, Director of Analytics,
Doctors Management LLC*

- Learn about the basics of sampling and what sampling methods are most commonly used by government auditors
- Learn about different sampling strategies to apply for different auditing situations
- Know how to identify when a sample is poorly constructed and how to use that information to file a successful appeal

9:30–9:45 AM

Networking Break

9:45–11:15 AM

P2 Art of Performing Risk Assessments

*Ali Pabrai, CEO,
ecfirst*

- Step through compliance mandates & standards for risk assessment (HIPAA, NIST, PCI DSS, ISO 27001)
- Examine core components for a comprehensive and thorough risk assessment exercise
- Walk through a sample risk assessment report to understand key sections such as a Corrective Action Plan (CAP)

11:15 AM–12:30 PM

Lunch (on your own)

12:30–2:00 PM

P3 Strategies for Navigating the Bumps and Bruises from Implementing an EHR

*Jenifer Carey, Manager of Physician
Education and Compliance,
Connecticut Children's Medical Center*

*Michele Rohan, Coding and Compliance Auditor,
Connecticut Children's Medical Center*

- Engage key stakeholders at all phases of the implementation
- Consistency is the key to survival
- Test beyond the system to ensure compliance with documentation, coding and billing

2:00–2:15 PM

Networking Break

2:15–3:45 PM

P4 Voluntary Refunds and Internal Investigations: Tips, Tricks and Tripwires

*David M. Glaser, Shareholder,
Fredrikson & Byron PA*

- Legal arguments that missing documentation or signatures don't create overpayments
- Common mistakes in refund letters, including why the word "overpayment" should be avoided
- Tips for conducting internal investigations

3:45–4:00 PM

Networking Break

4:00–5:30 PM

P5 HIPAA, HIPAA, HOORAY! (because HIPAA CAN ADD VALUE to your organization!)

*Amy Holzman, Founding Partner,
JurisHealth, PLLC*

*Shireen Gandhi, Founding Partner,
JurisHealth, PLLC*

- Despite the attention and investment of time and financial resources, many healthcare organizations still are not in legal compliance with HIPAA Privacy/Security, Breach Notification, and Enforcement Rules under the Omnibus Final Rule
- Ensuring your organization complies with laws and regs is smart and necessary. Learn where organizations often are out of compliance vis-a-vis HIPAA and steps to take to establish and maintain an effective compliance program that adds value and helps mitigate risks
- GOALS: Appreciate changes to HIPAA Privacy/Security, Breach Notification, and Enforcement Rules; value non-compliance risks and learn strategies to mitigate exposure to HIPAA violations; and ID key elements to establish and maintain an effective compliance program

5:30–6:30 PM

Welcome Reception

AGENDA

MONDAY, OCTOBER 24

7:00 AM–6:00 PM

Registration

7:00–8:15 AM

Continental Breakfast (provided)

8:15–8:30 AM

Opening Remarks

8:30–9:30 AM

GENERAL SESSION

GS1 Update from the Office of Inspector General

*Julie K. Taitsman, Chief Medical Officer
US Department of Health and Human Services
Office of the Inspector General*

9:30–10:30 AM

GENERAL SESSION

GS2 The Compliance of Denials Avoidance and Appeals Management Process: Just What is “Medical Necessity”?

*Betty B. Bibbins, Founder, CEO & Executive
Physician Educator, DocuComp® LLC*

- Define denial and identify the (lack of compliance) causes of denials
- Review the regulatory processes in denials
- Expand upon “Where do we go from here” — the Appeals process objectives & goals

10:30–11:00 AM

Networking Break

11:00 AM–12:00 PM

101 The Compliance Officer’s Role in Physician Transactions: Strategies and Challenges

*Joseph A. Piccolo, VP Corporate Compliance,
Inspira Health Network*

- The Compliance Officer’s involvement in physician transactions is critical from day one. Learn techniques for insuring compliance has a seat at the table and a defined role in the process.
- Different transaction types require different compliance approaches and monitoring. Understanding the nuances makes compliance a resource not a hindrance. We will discuss strategies to insure success.
- Compliance due diligence is critical. Understand what to look for, how information should be reported, and how to develop a subsequent action plan.

102 HR and Compliance: Who’s the Lead on Investigations? Try a Partnership!

Elizabeth Skinner, Regional Corporate Responsibility Officer, Florida Hospital Medical Group

Laura Stafford, HR Consultant, Health First, Inc.

- Discuss the challenges in conducting investigations and interviews when HR issues and Compliance issues are closely linked in complex cases
- Identify through case studies, the key tools that produce facts and information vital to learning all the compliance and employee issues that exist
- Learn strategies that create and build upon healthy and strong relationships between HR and Compliance and consider the value of this partnership in mitigating risk

12:00–1:00 PM

Networking Lunch (provided)

1:00–2:00 PM

201 Drug Diversion Enforcement Trends, Investigation, and Prevention

*Regina F. Gurvich,
Healthcare Compliance, Risk Management and Privacy
RFG Consulting*

- Drug diversion is an ongoing risk for providers, and the DEA is increasing their enforcement of suspected diversion
- This session will discuss recent DEA enforcement trends and developments, and offer practical recommendations for pharmacy and compliance professionals to prevent or investigate drug diversion when it occurs
- On the basis of the case study, discuss practical aspects of investigation, data analysis, reporting/ resolution and corrective action plan

1:00–2:00 PM

202 The Role of HIPAA in Your Social Media Guidelines

*Jennifer Maggiore, CEO,
red balloon, inc.*

- The top social media platforms and statistics that demonstrate social media isn’t going away
- Case studies: Recent HIPAA cases involving social media
- What your social media guidelines should include to avoid violations

2:00–2:30 PM

Networking Break

AGENDA

2:30–3:30 PM

301 How to Oversee and Manage an Effective Compliance Program in Your Physician Practice

*Leia C. Olsen, Shareholder/Attorney,
Hall, Render, Killian, Heath & Lyman P.C.*

- Discuss the importance of having an effective compliance program and the risks of failing to do so
- Identify the seven elements of an effective compliance program and outline best practices for developing a compliance program that fits the needs of your practice
- Learn strategies for assessing the effectiveness of your current compliance program to best promote compliant practices in your organization

302 Crash Course in Medical Necessity for E/M Auditors

*Stephanie L. Cecchini, VP Product,
AAPC*

- Learn five simple steps to ensure you've got the right level of service—every time
- Discover how to effectively work with providers using EHRs to ensure E/M coding compliance
- Confidently ensure that coder derived E/M Codes are supported by medical necessity

3:30–4:00 PM

Networking Break

4:00–5:00 PM

401 Information Security (Infosec) in the Practice Setting—Don't Make It More Difficult Than It Needs to Be!

*Jim Donaldson, Chief Compliance,
Privacy and Information Security Officer,
Baptist Health Care Corporation*

- Security from the ground up. Understanding the necessary elements of every InfoSec program regardless of organization size and complexity
- You can't have privacy without an effective InfoSec program - how to hardwire your privacy and InfoSec efforts for ultimate data protection
- It's all in the documentation—how to document your InfoSec program in a way that demonstrates regulatory compliance

402 Your Biggest Offenders Can Become Compliance Champions!

*Michele Olivier, Director, Coding and Audit,
Pinnacle Healthcare Consulting*

*Helen L. Avery, Director of Operations,
Assistive Coding*

- Learn how to turn negative findings into positive change
- Explore some experiences and examples that turned the tides for overall improvement
- Understand how to confront an issue by identifying the common denominator and involving the target to collaborate on an achievable solution

5:00–6:00 PM

Networking Reception

TUESDAY, OCTOBER 25

7:30 AM–3:30 PM

Registration

7:30–8:30 AM

Continental Breakfast (provided)

8:30–9:30 AM

GENERAL SESSION

GS3 Security and Compliance Issues in the Age of the Electronic Health Records

*Phillip Bressoud, Associate Professor of Medicine,
University of Louisville*

9:30–10:30 AM

GENERAL SESSION

GS4 The Physician Lead Future—Understanding Population Health

*Margaret J. Hambleton, VP Corporate Compliance,
Dignity Health*

- Understand population health, population health management, and clinically integrated networks
- Big data and the role of physicians
- The 5 things every compliance officer should consider

10:30–11:00 AM

Networking Break

AGENDA

11:00 AM–12:00 PM

501 Turning the Physician Auditing Process from The Dark Side to The Force Being With You

 Vicki L. Dwyer, Chief Compliance Officer, Valley View Hospital

 Nancy C. Kennedy, Chief Compliance & Privacy Officer & Chief Operations Officer, Galichia Medical Group

- Does the thought of auditing your physician put you in a Dark mood? This session will analyze the barriers physicians put up and techniques you can use to break those barriers down so audits don't turn you to the Dark Side.
- Learn how to turn the Top 10 Not-To-Do's into the Top 10 What-To-Do's to get your physicians to start coming back for more.
- Do you wish the Force Was With You when it comes to reviewing audits with your physicians? This session will provide tools, techniques, and strategies that will make you shine and turn the auditing process into a learning process, for both sides.

502 Quality of Care at the End of Life: The Final Compliance Frontier

 David N. Hoffman, Chief Compliance Officer, Physician Affiliate Group of New York, P.C.

- Learn about the new CMS CPT codes for advanced care planning (ACP), and how you can use them as a leading indicator of high-quality care at the end of life
- What does the provision of advanced care planning consultation tell you about the quality of care to Medicare patients generally? Learn what to look for when advance care planning consultation is provided and what to look for when it is not
- When can non-physicians participate in the provision of ACP services as "incident to" other care? Find out which Medicare patients should receive advance care planning, and which of them absolutely must

12:00–1:00 PM

Networking Lunch (provided)

1:00–2:00 PM

601 Do the Right Thing!" How to Build a Corporate Compliance Program in a Federally Qualified Health Center"

 Robyn M. Hoffmann, Compliance Officer & QI Liaison, Fair Haven Community Health Center

- What are some of the unique reasons why a Corporate Compliance program is of particular importance to a Federally Qualified Health Center (FQHC)? Describe the regulatory and accrediting compliance infrastructure within an FQHC environment.
- Describe key data elements for two (2) dashboard tools for FQHCs: a) a Corporate Compliance Dashboard; & b) a Quality and Access Dashboard. How can these tools be used to inform the Health Center's executive leadership and its Board of Directors?
- To build a "culture of compliance" in a federally qualified health center, what methods can be used to help engage staff, clinicians, management, and Board members?

602 Keep Your Finger on the Pulse of ICD-10 Unspecified Code Usage-Why Does it Matter?

Kim Schaefer-Garvey, Director of Health Information Management and Revenue Cycle Initiatives, Connecticut Children's Medical Center

Jenifer S. Carey, Manager of Professional Education and Compliance, Connecticut Children's Medical Center

- Best Practices for Monitoring ICD-10 Specificity
- Strategies for Ensuring Provider Documentation is in Alignment with Medical Necessity
- How to Strain the Ocean for Top Areas of Focus that will Achieve the Greatest Changes

2:00–2:15 PM

Networking Break

2:15–3:15 PM

701 Successful Strategies for Physicians From Other Academic Medical Centers

Terri L. Gilbert, Senior Manager, Aegis Compliance & Ethics Center LLP

- Tried and true compliance strategies from other effective programs.
- Learn key auditing, monitoring and education strategies.
- Defining a "physician champion" to lead and communicate with the medical staff.

702 Can't We All Just Get Along? From Private Practice to Employment

Valerie T. Cloud, Assistant Regional Corporate Responsibility Officer, Catholic Health Initiatives

- Blended Family—One Size Doesn't Fit All in Acquisitions
- Balancing/Navigating Family Dynamics—Playing Nicely in the Sandbox
- Getting to Know the Family—Corporate Culture

A few letters after your name can make a big difference

Why do people add JD, MBA, or CPA after their name? They know those initials add credibility.

Become Certified in Healthcare Compliance (CHC)[®], Certified in Healthcare Privacy Compliance (CHPC)[®], Certified in Healthcare Research Compliance (CHRC)[®] or a Certified in Healthcare Compliance-Fellow (CHC-F)[®].

Applying to become certified is easy.

To learn what it takes to earn the CHC, CHRC, CHPC, or CHC-F designation, visit [compliancecertification.org](https://www.compliancecertification.org).

Become a member of HCCA

About HCCA

The Health Care Compliance Association (HCCA) is the only national non-profit organization solely dedicated to improving the quality of health care compliance.

We serve our members by:

- Facilitating the development and maintenance of health care compliance programs
- Providing a forum for understanding the complex health care compliance environment
- Offering tools, resources, and educational opportunities for those concerned with compliance in the health care industry

Never face a compliance challenge alone

Meet and collaborate with ethics and compliance professionals year round and around the clock. HCCAnet®, HCCA's health care compliance social network, puts you directly in touch with your peers. Get your questions answered. Learn from what others are doing. Share and download your experience, policies, and other documents. To get started, visit www.hcca-info.org/hccanet. It's fast, easy, and can help improve both your work and the profession as a whole. And it's open to everyone.

Become a member of HCCA and enjoy the benefits. For just \$295/year you'll get:

- Member discounts on all HCCA products, programs, and services
- A free subscription to HCCA's monthly magazine, *Compliance Today*, which provides peer-review articles on a variety of issues compliance officers grapple with each day. And members can also read it on our new magazine app, available for the iPad, Kindle, and Droid
- An automatic subscription to HCCA's weekly e-newsmagazine, *This Week in Corporate Compliance*, available via e-mail or online
- Discounts to HCCA's national, regional, and Web compliance conferences, offering a variety of education and networking opportunities
- Access to HCCA's members-only section of the website, www.hcca-info.org

Cancellations/Substitutions: You may send a substitute in your place or request a conference credit. Refunds will not be issued. Conference credits are issued in the full amount of the registration fees paid, and will expire 12 months from the date of the original cancelled event. Conference credits may be used towards any HCCA service or product, except the *Healthcare Compliance Professionals Manual*. If a credit is applied towards an event, the event must take place prior to the credit's expiration date. If you need to cancel your participation, notification is required by email at helpteam@hcca-info.org, prior to the start date of the event. Please note that if you are sending a substitute, an additional fee may apply.

Group Discounts: Discounts take effect the day a group reaches the discount number of registrants. Please send registration forms together to ensure that the discount is applied. A separate registration form is required for each registrant. Note that discounts will NOT be applied retroactively if more registrants are added at a later date, but new registrants will receive the group discount.

5 or more: \$50 discount for each registrant
10 or more: \$100 discount for each registrant

Agreements & Acknowledgements: I agree and acknowledge that I am undertaking participation in HCCA events and activities as my own free and intentional act, and I am fully aware that possible physical injury might occur to me as a result of my participation in these events. I give this acknowledgement freely and knowingly and assert that I am, as a result, able to participate in HCCA events, and I do hereby assume responsibility for my own well-being. I agree and acknowledge that HCCA plans to take photographs at the HCCA Clinical Practice Compliance Conference and reproduce them in HCCA educational, news, or promotional material, whether in print, electronic, or other media, including the HCCA website. By participating in the HCCA Clinical Practice Compliance Conference, I grant HCCA the right to use my name, photograph, and biography for such purposes.

Special Needs/Concerns: Prior to your arrival, please call HCCA at 888-580-8373 if you have a special need and require accommodation.

Dress Code: Business casual dress is appropriate.

Recording: No unauthorized audio or video recording of HCCA conferences is allowed.

Continuing Education Units: HCCA is in the process of applying for additional credits. If you do not see information on your specific accreditation and would like to make a request, please contact us at 952 988 0141 or 888 580 8373 or email ccb@compliancecertification.org. Visit HCCA's website, www.hcca-info.org for up-to-date information.

ACHE: The Health Care Compliance Association is authorized to award 18 hours of pre-approved ACHE Qualified Education credit (non-ACHE) for this program toward advancement, or recertification in the American College of Healthcare Executives. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting and application to the American College of Healthcare Executives for advancement or recertification.

Compliance Certification Board (CCB): Compliance Certification Board (CCB): CCB has awarded a maximum of 22.2 CEUs for these certifications: Certified in Healthcare Compliance (CHC)®, Certified in Healthcare Compliance–Fellow (CHC-F)™, Certified in Healthcare Privacy Compliance (CHPC)®, Certified in Healthcare Research Compliance (CHRC)®, Certified Compliance & Ethics Professional (CCEP)®, Certified Compliance & Ethics Professional–Fellow (CCEP-F)®, Certified Compliance & Ethics Professional–International (CCEP-I)™.

CLE: The Health Care Compliance Association is a State Bar of California Approved MCLE provider, a Pennsylvania Accredited Provider, and is an accredited sponsor, approved by the State Bar of Texas, Committee on MCLE. An approximate maximum of 18.5 clock hours of CLE credit will be available to attendees of this conference. All CLE credits will be awarded based on individual attendance.

NASBA/CPE: The Health Care Compliance Association is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE sponsors, Sponsor Identification No: 105638. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org. A recommended maximum of 22.0 credits based on a 50-minute hour will be granted for this activity. This program addresses topics that are of a current concern in the compliance environment and is a group-live activity in the recommended field of study of Specialized Knowledge and Application. For more information regarding administrative policies such as complaints or refunds, call (888) 580-8373 or (952) 988-0141.

Nursing Credit: The Health Care Compliance Association is preapproved by the California Board of Registered Nursing, Provider Number CEP 14593, for a maximum of 22.2 contact hour(s). The following states will not accept CA Board of Nursing contact hours: Delaware, Florida, New Jersey and Utah. Massachusetts and Mississippi nurses may submit CA Board of Nursing contact hours to their state board, but approval will depend on review by the board. Please contact the Accreditation Department at ccb@compliancecertification.org with any questions you may have. Oncology Nurses who are certified by ONCC may request CA Nursing Credit (check box or indicate "Nursing" on the CEU form).
